

SAVE THE DATE FOR THE 2024 RESILIENT JOY GALA ON THURSDAY, APRIL 4TH

We are excited to announce the 2024 Resilient Joy Gala on Thursday, April 4th. This annual Gala is Seattle Classical Christian School's premier fundraising event. *Connected to Community* is one of our four core pillars, and we are eager to promote *your* business to 150+ parents, staff, grandparents, community members and donors at this event *in addition* to our dedicated school community (representing over 27+ church communities and employees and leaders in a variety of Seattle industries).

We invite you to support the life-changing work taking place at SCCS. By sponsoring our 2024 Resilient Joy Gala—our premier fundraising event—your organization helps support:

- Attracting, cultivating and retaining great teachers and staff
- Making SCCS's Christ-centered education accessible to a diverse community through robust financial support (we awarded \$650,000 in financial aid this year)
- Forming servant leaders who are well-equipped to navigate the voyage ahead with the ability think critically, enjoy learning and love what is good, true and beautiful.

Your support is greatly appreciated and vital for accomplishing our near and long-term priorities.

We offer 6 sponsorship levels for you to choose from with a variety of advertising perks and branding. Please see the next page for specific benefits of each sponsorship level.
